

Black Rose Wars – Quick Game Turn Overview by TORN – v1d

Game Turn – 6 Phases

1. Black Rose Phase (Event Board + Quests)

- Shift events Black Rose points?
- Draw, reveal and place new event Black Rose points? Pass on?
- Resolve 'Black Rose' events
- **Optional:** Discard 1 active quest Black Rose points (1-3)!
- No active quest ? Draw 1 new quest
- Discard (active/complete) down to quest limit

2. Study Phase (Hand cards)

- Add 4 spell cards to your hand (2 from Grimoire, then 2 out of 4 from Library)
- **Optional:** Discard 1 single spell card to the Library
- Discard hand cards beyond your hand limit to your memories

3. Preparation Phase (Mage Sheet)

- Place 2-4 spell cards face-down on your mage sheet

4. Action Phase (Mage Sheet + Lodge)

- Resolve 'Action' events
- Activate in turn order: each player takes 1-2 actions (physical action, standard spell/quick spell, discard card to move) and **Avatar** uses 1 card; repeat until all actions are consumed

Optional: Solve completed quests!

Attention: No 2 standard spells in one activation!

Attention: Do not forget to place (in)stability from spell or command cards! Instability!

Attention: Leave your cell immediately!

Avatar: Normal difficulty 3 cards, difficult 4 cards

5. Evocation Phase (Lodge)

- Black Rose evokes all Nightmares
- Take turns activating evocations (**Avatar** as well)

6. Clean-up Phase (Mage Sheet + Rooms)

- **Optional:** Take activated traps and protection spells to your hand
- Discard used spells to your memories (Remove forgotten spells from the game!)
- Flip Physical Action Tokens to 'available' side
- **Avatar** (1 jinx, 1 Nightmare, shuffle)
- Destroy/rebuild room ? -1 point when tied for rank (min. 1) +1 point when only source
- Reset Room Activation Tokens
- Game end? (Points >= Black Rose moon cube/BRW: 30)

Don't forget!

Change moon phase (6/18 points or moon cube):
Switch quest-, event- und **Avatar** deck;
take personal spell to your hand

Mage/Avatar defeated:
Get trophy; based on damage
get (+4/+2/+1)

-1 point when tied for rank (min. 1)

5 point when only source

Spell Types:

Combat Contingency Trap Protection

Spell Targets:

Self Mage not self Model not self Evocation
 Special Every-where Every-where Area

Number means range

Endgame scoring for players, Black Rose and Avatar

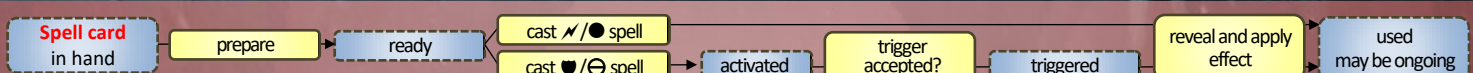

Number of quests (+4/+2/+1)

-1 point when tied for rank (min. 1)

Number of trophies (+4/+2/+1)

Crown (+1)

Most Power Points win. On tie most solved quests win, then most trophies win, then first player decides.
